

The logo is set within a white rounded square with a thin grey border. A black crosshair, consisting of a vertical and a horizontal line, is centered behind the text. The letters 'PTTC' are rendered in a large, bold, blue serif font, with the crosshair passing through them. Below the letters, the words 'TECHNOLOGY' and 'CONNECTIONS' are written in a smaller, black, sans-serif, all-caps font, separated by a vertical line that aligns with the central vertical crosshair.
